Provenance: Private Collection

Estimate: \$200 - \$300

The U.S. Mint set group has dates ranging from 1964 to 1994 including the SMS (Special Mint Sets) of 1965, 1966, and 1967 along with the three piece silver coinage of the Bicentennial. The only missing years seem to be 1977, 1982, and 1983, the latter two dates having not been officially produced in traditional Mint set packaging. There is curiously a duplicate 1993 Mint set included in this lot.

590

600

**Twenty Dollar Gold Certificate**

series of 1906, Napier/Thompson signature combination, *intact but well circulated, hard vertical center crease, edge wear, multiple tiny holes, dark spots*

Provenance: Private Collection

Estimate: \$200 - \$400

Wonderful note that harkens back to a time when "twenty dollars in gold coin" was "payable to the bearer on demand."

601

**1843-O Gold Liberty Head Quarter Eagle**

New Orleans issued \$2.50 gold coin, actual gold weight (AGW) 0.12094 oz. T., *lustrous XF with some rim chatter, typical marks and abrasions consistent with grade*
